ACTION DEPARTMENT 700 INFORMATION USUN 6

Regarding highlights my call on Nkrumah October 29, strongly protested Quaison-Sackey's remarks October 24 UN. Nkrumah said Quaison-Sackey was out of line and he had telegraphed him instructions to be more moderate.

I challenged the section Nkrumah message to Khrushchev suggesting dismantling of missile bases outside US and USSR. Told him this was Khrushchev line latter had abandoned in last message to President Kennedy and that NATO base question not involved.

Nkrumah claimed his intention only to urge disarmament on general principle. I asked that he clarify this position and sent letter today suggesting this. I also showed Nkrumah and left with him photographs Cuban installations and he was definitely impressed.

Details of call in airgram.
